Name of Explosive (TNT, Black Powder, etc.)	Method of Storage (Type of magazine, etc.)	Quantities Stored (Pounds)	Distance for inhabited buildings, right of ways, highways, etc.

The following information should be provided when applying for an explosives storage and/or explosive material storage permit:

1. A map indicating the location of the explosives storage and explosive material storage, and if applicable magazine(s) and directions for the inspector. (A county highway map is acceptable)

2. A complete address (Please do not use P.O. Boxes only)
3. List the location of all explosives storage and explosive material storage at each location or site. (One permit for each location or site of the magazine(s).
4. List the contents and class of each magazine, the weight of the explosives in pounds or the number of blasting agents in each magazine.
5. Indicate the distance of each explosives storage and explosive material storage location and/or each magazine from the nearest building(s), highways, railway(s), and from each magazine.
6. A copy of the corporate surety bond in the principal sum of \$100,000 or a public liability insurance policy for the same amount, for the purpose of the payment of all damages to persons or property which arise from, or caused by, the conduct of any act authorized by the permit upon which any judicial judgment or decisions – judicial or otherwise.
7. **Provide copies of any and all state and federal permits issued for the storage site.**

The regulations governing permits for explosives storage and explosive material storage are in *Millard County Code 6-5-2* below.

6-5-2: EXPLOSIVES:

A. Permit Requirements: It is unlawful for any person to manufacture, keep, sell, give away or otherwise dispose of any explosive or explosives in the county without first making written application and receiving a permit from the board of county commissioners, which permit shall be attested by the county clerk. The board of county commissioners may, at any time, revoke any permit issued under the provisions of this section upon good cause being shown. (1988 Code § 7.20.050)

B. Transporting and Handling Explosives:

- . The transport of explosives in or upon any public conveyance carrying passengers for hire is prohibited.*
- . Every vehicle shall, while carrying explosives, have painted on its front, side and back, in easily legible letters at least four inches (4") high and in contrasting colors, the word "EXPLOSIVES"; or in lieu thereof, shall display in such manner as to be visible from all directions, a red flag at least twenty four inches (24") square with the word "DANGER" printed, stamped or sewn thereon in white letters no less than six inches (6") high.*
- . Smoking and open flames are prohibited in, or in the immediate vicinity of, any vehicle containing explosives.*
- . No explosives shall be loaded or unloaded in a careless manner or while those performing the work are smoking or intoxicated.*
- . It is unlawful for any person to place or carry in the bed or body or cause to be placed or carried in the bed or body of any vehicle containing such explosives, any metal tool or other piece of metal, or matches.*
- . It is unlawful for any person to place or carry or to cause to be placed or carried in any vehicle containing explosives, any exploders, detonators, blasting caps, or other similar explosive material. (1988 Code § 7.20.060)*
