

Separate sealed bids for construction of MILLARD COUNTY EWP 2023-SPRING SITE & WATER CROSSING will be received by Millard County from bidders.

Bids will be publicly opened and read aloud during county commission meeting at 10:05 a.m. on May 21 at 50 South Main, Fillmore, UT 84631-5504.

The work to be performed under this project shall consist of furnishing all labor, materials and equipment required to construct the facilities and features called for by the CONTRACT DOCUMENTS and as shown on the DRAWINGS.

Installation of Rip Rap, replacement of existing concrete wall, grading, earthen dike building, and construction of a concrete low water crossing.

This project is funded by NRCS.

Plans and specifications have been prepared by Sunrise Engineering, LLC and will be available after April 24th on their website plan room at <http://www.sunrise-eng.com>. Click on “Plan Room” at the bottom of the homepage. Bidders must register and sign-in and choose to become a plan holder to obtain access to CONTRACT DOCUMENTS and DRAWINGS. Notices regarding changes/amendments to the CONTRACT DOCUMENTS and DRAWINGS will be sent to the e-mail address associated with the bidder’s registration. Bidders are responsible to maintain current and correct contact information and check the planroom often to receive updates or additional documents/changes/amendments. The ENGINEER for this Contract will be Sunrise Engineering, Incorporated and they will be represented by Devan Shields, P.E. as Project Engineer.
